

Obedience Stay & Train Programs

Our signature **Stay & Train** program offers a unique opportunity for your dog to live with us, receiving one-on-one care and expert training tailored to your goals. From foundational obedience to behavior modification, we craft a plan that fits your dog's personality and lifestyle.

Every **Stay & Train** experience includes all necessary training equipment to help you and your dog continue learning and stay consistent, as well as a comprehensive **Go-Home Lesson** that provides the tools, knowledge, and confidence to maintain your dog's progress at home. Finally, we offer unlimited follow-up lessons for up to one year. We're here to support you every step of the way.

Good Dog Program

\$1,450

(\$500 non-refundable deposit due upon booking)

The Good Dog Program is our 10-day training program, designed to address common nuisance behaviors such as jumping, pulling, demand barking, or challenges with listening. We'll establish foundational skills like place training, door manners, threshold boundaries, recall, and loose leash walking. This program is ideal for puppies and adolescent dogs.

On the final day, our trainer will personally bring your dog home and spend 1-3 hours demonstrating the progress made during your dog's training experience, allowing you to ask questions and take notes. To ensure ongoing success, we also provide three months of one-on-one coaching for you to utilize as needed.

Better Dog Program

\$2,400

(\$500 non-refundable deposit due upon booking)

The Better Dog Program is a 14-day obedience program designed to enhance your dog's skills with consistent practice and exposure. Building on the fundamentals of

The Good Dog program, this extended timeframe allows for more repetitions and challenges to develop commands like place, sit-stay, down-stay, and an informal recall. By the end of the program, your dog will not only master these commands but learn to perform them with increased duration and in various distracting environments.

On the final day, our trainer will personally bring your dog home and spend 1-3 hours demonstrating the progress made during your dog's training experience, allowing you to ask questions and take notes. To ensure ongoing success, we also provide three months of one-on-one coaching for you to utilize as needed.
